

PROGRAM DESCRIPTION

The Teaching Program is a special program intended for non-education graduates who wish to take professional subjects in education.

The desire of the students to teach in the elementary, secondary or tertiary levels will be met through their exposure to different foundations of education, theories, principles, methods, strategies and approaches in teaching.

OBJECTIVES

- Equip students with the knowledge, skills and values that are prerequisites to effective teaching in the elementary, secondary and tertiary education.
- Enable the students to pass government examinations particularly the Licensure Examination for Teachers (LET).
- Produce quality faculty in the elementary, secondary, and tertiary education levels.

MODE OF INSTRUCTION

A student enrolled in the program will be given a learning package to work on. While students are expected to be independent and self-reliant in their studies, they can get learning support from the learning centers that are established by the University throughout the region.

During the course of the study, the students are expected to meet their tutors/facilitators on scheduled dates (at least once a month), thresh out problems encountered in the course of their study, or attend seminars, symposia, panel discussions, and/or conferences to enrich their learning experience. The student is also expected to submit written assignments, and sit in supervised examinations at the University.
